

Oregon Veterinary Medical Licensing Board – [April 18-19, 2024 Meeting Minutes](#)

VCPR Workgroup Update- Emilio DeBess/Allison Lamb Issue: Update. Discussion: The group discussed expanding VCPR in large and small animal practices. Large animal issues are at the forefront. Within the next few meetings, they anticipate having developed something for board review as a potential rule change. Outcome: Select date for next meeting.

CVT Workgroup Update- Ragan Borzcik, Issue: Update Discussion: Ragan discussed that five other states currently have alternate licensure processes. It is different across all states. Ragan would like more discussions to be had before bringing information to stakeholders. The option of developing a survey was discussed. Outcome: Develop a survey to send out to licensees. vii.

Rulemaking Update: Ingrid

a. OAR 875-005-0005- Definitions, and OAR 875-010-0090 Continuing Education Requirements Issue: Bring understanding around CE requirements. Discussion: Issue with licensees desiring to use their initial training as CE. Cleaned up language for clarity. Outcome: The Board agreed to changes. Will move into rulemaking process.

b. OAR 875-010-0065- License and Facility Registration Renewal Procedures Issue: Language correction needed. Discussion: Error with wording. Replace facility owner with managing veterinarian. The managing veterinarians are responsible for renewing. Outcome: Changes approved by the Board. Will move into rulemaking process.

c. OAR 875-030-0030 Issuance of Licenses, Fees, Renewals for CVTs. Issue: Transition from mail to electronic needs to reflect in rule. Discussion: Updated rules to read email instead of mail as a means of contact. Update line item (3), remove a line item (4) received and postmarked. Hari explained how to change our late fee from \$10 to \$15. Must get approved through legislation and get ratified. Will keep \$10 in rule until approved. Outcome: Bring back any similar language for DVM's and facilities for the June board meeting. Pete will go to the legislator and put in a request in the agency request budget for 2025. Will move into rulemaking process.

d. OAR 875-040-0010- Certification of Technicians Issue: Grammatical changes and placement of fee for clarity. Discussion: The board previously discussed and approved rule. Small corrections with fee placement for \$25 intern, title of rule changes from Certification of Technicians to Certification of Euthanasia Technicians, line item (1) spell out Certified Euthanasia Technicians (CET) and change line item 5(a) from hours to hour. Outcome: Changes approved by Board. Will move into rulemaking process.
